As a Thrivent member, you have at least one and possibly two opportunities annually to secure \$250 to be used for an Action Plan Service Project or Fundraiser to further our mission of serving others. The application for the funds is very simple and can be done online. We are looking for a few people to write their Action Plans to help fund future HIS projects. Members have used their Action Plans in the past to fund the Thanksgiving Project for the Samaritan Center, the Christmas Stockings for children, the Chemo Care Bags, and the Men's Retreat. We could do so much more with the seed money provided by Thrivent. Your Thrivent Representative or your congregational representatives, Bebe Stich, Ruth Sandifer, and Linda Busfield can assist you in applying for the funding and/or finding a project to fund.

Thank you to the members of Hosanna who contributed to the recent Care Bag Project for Chemotherapy patients at St. Tammany Cancer Center. 100 bags were filled at or just after the Women's Retreat. The \$250 seed money from Thrivent Financial for Christians helped start this project of generosity. Our Quilters donated most of the fabric for the bags and 8 ladies contributed their time to sewing the handmade bags. Over \$300 was collected along with items that were donated. The Bible says we are blessed to be a blessing. Hosanna has once again followed these words and shared God's blessings with others.
