## April 2018

Grace to you and Peace,

Last month, Hosanna hosted a gathering of local ELCA Pastors. We gather regularly to share ideas, support and pray for each other, study scripture, and drink coffee. During the coffee time, we ultimately get to talking about the congregations we serve and this week we wondered how y'all think about God. It is an awesome discussion. I spend more time than you know wondering about what you are wondering about. I study the words of hymns, consider your reaction to the words or images I use in preaching, I listen carefully to your prayer requests and I wonder.

What do you think about when you think about God? Is God near or far? Is God pleased or angry? Is God involved in the tiny details of life, like where should I park, or does God have only a big picture view of the world? What do you think?

When we think about God in these terms, we often uncover a lot about ourselves. One of the pastors gathered the other day started telling a story about how his congregation was considering selling off some unused property. Some congregational members saw this as a great opportunity; an infusion of money in exchange for this property that was mostly just growing weeds. This opportunity could then be exchanged for new ministries, sending kids to camp, repairing other parts of the property, etc. Other members of the same congregation saw selling off the property as a threat! Who knows what could be built there? How would we protect our footprint? What if we need it for something in the future? Once it is sold it is gone forever!

Goodness! That is a lot to think about! What do we think about when we think about God? Is it scarcity or abundance? Does the Lord really provide, or does the Lord help those who help themselves? Will we lose all we have? Will we have more than we know what to do with? What do you think? One or the other? Both?

Another Pastor started telling stories about her congregation. Some time ago, they were in the process of adding a projector and a screen. While some in the congregation were opposed, others thought it was a great idea. Ever heard of anything like that in a church? One group welcomed the addition of a visual element, some older members were eager to have their hands free of a heavy hymnal, so they were better able to balance themselves. Younger folks were less eager to change to a method they dealt with in their work lives. A few were unsure of how to create visual media and some thought it would take away from their beautiful sanctuary. All of this wondering on how to share God's Word in the world. What do we think about when we think about God?

In our congregation, we are having these discussions concerning staff. How do we allocate resources that were tied into one ministry position and spread it out to fund youth and small group ministries? We will continue to move forward in these discussions and it is awesome to see how we think. How do we expect God to act? How we live out faithful lives. It is super-wondering! Later this month our Sr. Highers will be wondering about the national youth gathering at an overnight lock-in. Next month we will wonder with families during baptism. We will be wondering who these children might grow up to be. In May we will wonder with High School Seniors as they celebrate graduation, and this summer we will wonder, where do all these VBS kids get their energy? And I wonder if I can have some!?!

And we have more to wonder about. In June, we will be adding a new worship service, Sunday nights at 6pm. This experiment will incorporate some pieces I believe will help us minister to busy families. I wonder if it will work! I wonder how we will get all the pieces in place. I wonder about the details, but I don't have to wonder for a moment if God is moving. I know God is encouraging us to be faithful to our mission statement. We proclaim this Good News to All People.... And We wonder... We watch... We listen and of course We pray. After this, We act.

As I sat there, drinking coffee with pastors, listening to stories my mind wandered off. I started to look around at our building, wondering about the faces I see on Sundays. Wondering what you think about when you think about God. Wondering how God is moving in your lives and the lives of your loved ones. Wondering about the blessings we will see in this congregation in the next ten or twenty years... Hmm, I wonder.

Blessings,  
Pastor Jay

## Blessing of the Quilts

Blessing  
of the  
Quilts

May 6th

On Sunday, May 6 2018 at both our 9:00am and 10:30am services we will have our semi-annual Blessing of the Quilts. These quilts which, more often than not, fill the sanctuary, are the work of an eclectic group of volunteers who meet on the church campus every Thursday throughout the year. The Hosanna Quilters, made up of church members and non-members, male and female, perform a much-appreciated service for the St. Tammy parish community and beyond. These quilts will be distributed to hospices, cancer centers, crisis pregnancy centers and a youth sex-trafficked center. Through donations of money and fabric the quilters have been able, for 20 years, to let those less fortunate or in a difficult situation know they are not forgotten. To date, thousands of quilts have adorned our sanctuary every spring and fall. Along with the quilts, the members of Hosanna Quilters crochet blankets and caps for premature

infants as well as sew dresses for missions in Africa. Won't you join us in our celebration of love?

-Jerry Barbier

## Chemo Care Bags

Update on the Chemo Care Bag Project: The Quilters have donated fabric and a dozen ladies have volunteered to sew colorful bags for the patients at Mary Bird Perkins at St. Tammany Hospital. Now we need to collect fillers for the bags: -small bags of mint or lemon -candies -cozy socks -unscented lip balm -unscented lotion -Journals -scarves -books (puzzle, coloring, or word search) -fleece blankets (approx. 40" X 60")

A container will be placed in the Welcome Area to receive these items. Thank you for sharing in this important ministry to our community. Donations to purchase these items will be accepted as well, just note "Chemo Bag Project" on your check to Hosanna. Thank you for continuing to support this ministry in our community.

Church

minutes.

Congregation,

I have decided not to seek re-election to the council. When I joined the council, the Church was in chaos and I wanted to be a part of helping us get back on track. Now we have a new pastor and a council that I have full faith in. When I told Pastor Jay that the biggest reason I was stepping down was him, he had a big frown....until I told him it was because of the great way he is running the church! I truly believe we are going in the right direction and our church will grow. It really makes me smile to see so many children and young adults at our church. That is a sign of our health.

I am so happy that our Church has recovered. I am so grateful that I am part of this wonderful church. I will still be attending church regularly and all the events we have. And of course, I will be cooking whenever I am asked!! God Bless you all and may we have many more good years to come.

# Youth and Family Ministries

The theme of this year's ELCA National Youth Gathering is "This Changes Everything!" The "this" they are referring to of course is the Gospel, the good news of Jesus Christ, living out a life of faith. *This* does change everything! The way we see our neighbors, how we spend our time and resources, the good we do in the world. *This Gospel* changes who we are and our understanding of whose we are. *This* changes our goals and our ambitions, and *this* is what Hosanna Youth Ministry is all about.

Hosanna, as a congregation declares a bold mission statement that we will Proclaim the Love of Jesus Christ to All People, so they may Know Jesus Christ, Grow in Faith, and Follow Christ. We do this when we invite our friends and neighbors to youth activities. We do this when we participate in worship. We do this as we prepare for life-changing experiences like confirmation, Bible camp, and the Gathering. Our youth ministry is all about putting this mission statement into action.

## **We have a lot of action here.**

On **April 15** there will be an informational meeting for all parents and students interested in going to Lutherhill Bible Camp. Mr. Troy is organizing this trip again. Bible camp is a fantastic way to grow in faith, grow closer as a church family, and have a blast. This camp trip includes students in 6th grade to 8th grade. Campers will be on site in La Grange, Texas and also experiencing the wilds of Texas Adventure. See you April 15 after the second service.

In March we started a discussion concerning the way we staff our Youth Ministry Program in the future. This forum brought up some great questions and started us thinking in new ways. I would like to invite parents, students, mentors, and youth night volunteers to join me in the evening of **April 17** to continue this discussion. I have prepared job descriptions and I even have a chart to help our conversation of 40 hours of Youth ministry for our Children, Teens, and families. The open forum will begin in the sanctuary at 6:30 PM

From 10 PM **April 20<sup>th</sup>** until 10 AM on the 21<sup>st</sup> Hosanna youth and volunteers going to the ELCA Gathering will be overnighting at the church! No need to bring a sleeping bag; we will be having too much fun to take a break! We will be creating gifts to share, learning about our Gathering speakers, talking about the trip and of course eating snacks.

Youth night doesn't meet on Easter Sunday but continues throughout the month of April. Thanks to all our fantastic and dedicated volunteers who give their time for Hosanna youth. We couldn't do it without you.

## **A few notable events coming in May:**

During our second service on May 13, Hosanna will celebrate Confirmation. Our confirmation class has prepared for this momentous event in their faith lives over the past two years. They have carefully considered the sacraments, they have studied Holy Scripture, they have learned from the small catechism and they have prayed for each other in this time. Please join them for worship this awesome day!

We have a treat in store for us at the end of the month. Our Hosanna Seniors will lead our worship and share heartfelt words with us at our Graduation recognition service at 10:30 on May 20<sup>th</sup>. This is a fantastic day to lift up these young adults and wrap them in prayer as they enter a new stage in their lives.

Goodness, sounds like another wonderful month at Hosanna.

God Bless and I'll see you on Sunday,  
Pastor Jay
