Pastor article

WRITTEN BY PASTOR CANDY O'MEARA

Hello Hosanna!

July 3 – August 11 is the time known as the “Dog Days of Summer.” I’ve always thought that meant the hottest days of the summer. Turns out, it has to do with the sun and its location within the constellation “Sirius” (the Dog). No matter how you slice it, or what you call it, it’s stinking hot out there!

In the last newsletter, I told you that I would tell you a little about myself. This month, I’m letting you know, not about myself per se, but about my puppy. Lacey is 9 months old. She’s a Cockapoo (Cocker Spaniel & Poodle mix). And she’s a bundle of energy! I have to be careful about taking her out too much in the heat, lest she get heat exhaustion (or worse!).

I’ve had the opportunity to help with the Hosanna Hot Meals a couple of times now, and I wonder about those whom we are sending meals out to. Do they have a cool place to retreat to when it gets so unbearably hot?

It reminds me of the story from John’s Gospel where Jesus comes to the well in the middle of the town in the heat of the midday to get a drink of water. He encounters a woman that has been ostracized by the other women who gather water from the well, so instead of getting her water in the cool morning, she is resigned to get it in the midday. Jesus asks her for a drink of water and promises in return to give her water that will never run dry. That’s incomprehensible to a person who cannot see beyond their own pain and suffering.

Again, I wonder about those for whom we provide meals each week. Each week more people show up to help with packing and distributing meals. I’m thankful for that! I’m also thankful that each and every day, Jesus shows up at the well from which the recipients of these meals drink, offering hope and love.

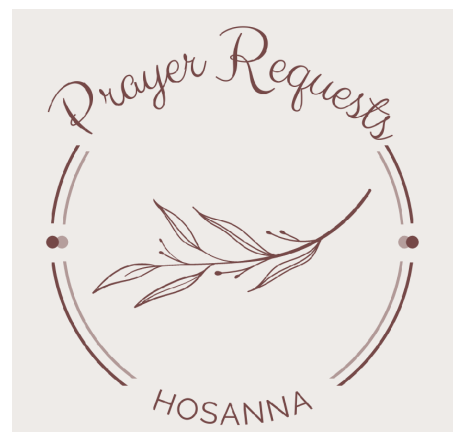

Thanks for those who are a part of this ministry, and if you’d like to help, I invite you to “meet at the well” Mondays between noon and 4pm and see what it’s all about. I guarantee that you will meet Jesus there!
