Pastor article

Written by Pastor Candy O'Meara

One of our recent readings was from John 17:1-11. In this reading, Jesus is praying. He's praying for his followers and for their ministry. He's also praying out loud, so they can hear. I wonder; how does it feel for you to hear someone pray for you? I'm not talking about just saying your name during the prayers of intercession during worship, but praying for your needs, your desires, speaking your truth to God while you are listening?

Humbling? Uncomfortable? Awkward? Grateful? Something else?

Sisters and brothers in Christ, I'm praying for you; for your continued faithfulness, for your faith lived out in your words and in your actions.

One of the questions often used to assess a congregation's "footprint" in the community is, "If [Hosanna] closed, what would the surrounding community miss?"

Hosanna is the footprint of God that continues to leave its mark wherever we go. Whether it is in providing chemo bags to the sick, quilts for the displaced, or food for the hungry, Hosanna continually brings the presence of God into the community. Someone asked me a while ago where Hosanna is now, since they noticed that we are no longer in our previous location. They were so grateful to know that we are still alive and kicking!

I sometimes wonder if you all understand just how impactful Hosanna is to the community. When Jesus tells his disciples to go into the world, to the surrounding communities, and to all the world, and to tell people about God's love for them, Hosanna is living out the gospel! Even though it doesn't always show up in increased numbers on Sunday morning, lives are changed because of what you all do every single day.

So, yes, dear friends, I pray for all those ministries and for you and your families, that God would continue to use us to make God's name known so that everyone can feel the love of God through you.

Yours in Christ,

Pastor Candy
