

## Pastor article

Written by Pastor Candy O'Meara

Hello Everyone! And Memorial Day behind us, we have (unofficially) entered the summer season. Please take the opportunities, were you can get them, to rest, relax, and spend quality time with friends and/or family doing things you enjoy.

I have a challenge for you: as you travel, take a moment to participate in worship, either in person or online. Take a picture of your experience, or go online to our Facebook service and comment on where you are watching from! Let's see how many different places we can tag! You can also post your picture on our Facebook page. It'll be fun to see where you are and what your experiences are!

This year in July (yes I know it's early), New Orleans will once again hosting the ELCA Youth Gathering. This will be the 3rd time NOLA has hosted this event. They are expecting about 17,000 high school youth to be in person this every third year event. This year, we are working with Pastor's Jeff (CPC) , Zac (Just Love Your Neighbor) and Katie (First UMC) to provide space for a service project. If you are available July 17-18, we will need some help with things like making sure the kids have water and snacks, and any other little things they need. The kids are doing all the heavy lifting and work. We just need people to run errands. More to come on this, but it's a great opportunity to witness these young people make a huge impact on our community!

In the mean time, rest, relax, and as we say at the end of worship, Go love God and love all of God's people!

We continue to be blessed with weekly donations from Crumbl Cookies (between 10-14 boxes every week!). We need to individually wrap those cookies each Tuesday (or Wednesday) to serve at Hot Meals. This can be done in the Fellowship Hall or at home - during the day or evening - even sitting down. If you are able to help with this, please contact Pastor Candy in the church office, on her cell phone or by email.
