

Hosanna Highlights

Pastor article

Written by Pastor Candy O'Meara

Hello everyone! Often, our time and God's time don't always align. Often, we want things to happen much faster than God wants/needs it to. This has been the case with Hosanna and the redevelopment process.

I'm so excited to share with you that on June 15, Hosanna had a visioning event. Your Redevelopment and Executive Teams, and others, gathered with the LEAD Executive Director, Deacon Peggy Hahn, to develop a vision for Hosanna moving forward. We celebrated the gifts Hosanna brings to the community and looked for ways to "double down" on those gifts.

God has gifted Hosanna with two important gifts: the (unique) ability to focus outwardly, and the ability facilitate ecumenical relationships.

First, the (unique) ability to focus outwardly. Every year, congregations close because of their inability to get beyond "survival" mode, which causes them to hoard their resources and squeeze out every ounce until there is no more. Hosanna, instead, has faithfully made the difficult decisions which reflect the abundance with which God has blessed us. Hosanna is not afraid to make the hard decisions to keep those missions alive and working. We are going to use this spirit of abundance to look for new ways to not only be in church, but to be the church. That's what it means to "double down" on these gifts.

Second, Hosanna helps others to work together. Hosanna, since nesting with Covington Presbyterian Church, has formed relationships with many churches in the area. Including CPC, we have volunteers from Just Love Your Neighbor (Disciples of Christ), United Methodist in Covington, Northshore Vineyard, First Baptist (both Covington and Mandeville), Christ Episcopal, St Michael Episcopal, St Timothy Methodist, and many others. What we are modeling is what Apostles and Jesus himself taught: we are at our best when we work together.

Jesus said, "By this everyone will know that you are my disciples, if you have love for one another." John 13:35

I look forward to finding new ways we can be God's hands and feet in this place and all the places where God calls us. Please pray for this visioning group, that God will open their/our hearts and minds and ears and eyes to do what God needs us to do.
